

**ALPINE ASCENTS INTERNATIONAL
EXPEDITION EVALUATION FORM**

Name of Participant: _____

Date of Expedition: _____ **Name of Guide(s):** _____

Greetings and welcome home. We hope your expedition to _____ met all your expectations. In an effort to help Alpine Ascents International better understand our climbers and improve our programs, we would appreciate your assistance by completing this evaluation form. All responses will be held in the strictest confidence. Please contact us with any questions or if we can be of further assistance. Please stay in touch and we hope to climb with you again. Thanks !

1) Discuss, in general, your overall opinion of the expedition:

2) Please evaluate your guide(s) in relation to the following factors:

- ◆ **Mountaineering skill level**

- ◆ **Ability to perform as a leader**

- ◆ **General knowledge of region visited (i.e. history, culture, mountaineering)**

- ◆ **Did you find your guide pleasurable and easy to get along with?**

3) Were your individual goals met? (Please discuss).

4) Were the goals of the expedition met?

5) Please elaborate on the program's strengths and weaknesses.

6) If applicable, please compare our expedition to any expeditions you have made with other with other climbing/travel organizations.

7) Do you have any suggestions to help us improve the quality of our expeditions?

8) How did you hear about Alpine Ascents?

9) Did you find our travel agent helpful ?

10) Would you join another Alpine Ascents expedition?

Please indicate if you would like brochures on the following:
